**Western Construction Group Hires
Sean Coughlin as Regional Business Development Manager**

(St. Louis, MO, Jan. 26, 2015) - Western Construction Group has hired Sean Coughlin of Dobbs Ferry, NY as Regional Business Development Manager at its NYC/Ridgefield, NJ branch.

In his new position, Coughlin is responsible for growing sales volume, customer development and new business acquisition. He will also assist branch personnel in achieving sales objectives by providing marketing, sales and business development leadership.

Coughlin has 12 years of sales and business development experience, with a focus on the construction industry in the Northeast. He has a Bachelor's Degree in Mechanical Engineering from Wentworth Institute of Technology and is a member of the International Facility Management Association (IFMA) NYC and Hudson Valley chapters.

About Western Construction Group

Family-owned and operated for nearly 100 years, Western Construction Group is the nation's largest specialty contractor in masonry, concrete and facade restoration, waterproofing and specialty roofing. Offering a nationwide network of expertise, building owners, engineers, architects and property managers can count on Western Construction Group to develop cost-effective, corrective measures that can add years of useful life to industrial, commercial, healthcare, historic, educational and government buildings, parking structures and sports stadiums. Western Construction Group is headquartered in St. Louis, MO with over 30 branch offices nationwide and employs more than 1,200 salaried and hourly

professionals who offer the best, time-tested techniques and innovative technology. For more information about Western Construction Group, visit www.westerngroup.com. *Western Construction Group: America's Master Craftsmen in Building Restoration and Preservation.*
