**Western Specialty Contractors Hires Jillian Chew as  
National Account Program Manager**

(St. Louis, MO, March 9, 2018) – Western Specialty Contractors has hired Jillian Chew of Wildwood, MO as National Account Program Manager.

In this role, Chew will assist in the company's efforts to identify, establish and develop relationships with large, multi-location customers. Assigned to three to five customers, Chew will also work to establish productive, professional relationships with high-level executives and other key contacts for all assigned client accounts, as well as effectively communicate to customers the benefits of a national account partnership with Western.

Chew has seven years of sales experience, having previously worked as a Retirement Sales Representative for Paychex, an Admissions Advisor for Kaplan University and an Admissions Representative for Corinthian College.

She has a Bachelor of Arts in Psychology with a minor in Communication from the University of Missouri St. Louis and an MBA from Kaplan University.

**About Western Specialty Contractors**

Family-owned and operated for more than 100 years, Western Specialty Contractors is the nation's largest specialty contractor in masonry and concrete restoration, waterproofing and specialty

roofing. Western offers a nationwide network of expertise that building owners, engineers, architects and property managers can count on to develop cost-effective, corrective measures that can add years of useful life to a variety of structures including: industrial, commercial, healthcare, historic, educational and government buildings, parking structures and sports stadiums. Western is headquartered in St. Louis, MO with over 30 branch offices nationwide and employs more than 1,200 salaried and hourly professionals who offer the best, time-tested techniques and innovative technology.
